

Worcester County Sheriff's Office Sheriff Lewis G. Evangelidis

House Numbering Program

The Worcester County Sheriff's Office House Numbering Program is designed to assist all emergency personnel in identifying residences that do not currently have a highly visible number on their homes. Our Community Outreach Department will create a custom wooden sign with your house number, **free of charge**, which may be placed on the front of the home or end of driveway.

Your House Number Will Look like This!

Sign has a dark green border

Please clearly print your name, address, phone number & house number.

Once completed, your new house number will be delivered to your hometown senior center for pick-up.

(By your signature, you agree to waive, release and hold harmless the Worcester County Sheriff's Office, and all of its affiliates with this program, from damages that may arise from installation of signage.)
